Keith,

We agree to the 30 day extension. Please have the company's response to us no later than the COB Monday, Nov 30th.

On another note, will we be seeing the Tri-cities response by the end of tomorrow?

David,

This report is 30 pages and will take extra time to review and respond. The response required date is October 30, 2009. May we please have a 30 day extension for our reply?

Thanks
