 Packaged and Bundled Services to be Detariffed
 Terms of Service
 The state of Washington has changed the telecommunications law for packaged and bundled intrastate telecommunications services. As a result, effective March 7, 2008, all packaged and bundled services will cease to be governed by TDS Telecom tariffs. A tariff is a document containing the rates and charges of services that the Washington Utilities and Transportation Commission regulates, and rules regarding how those rates and charges are assessed. TDS Telecom will provide these services under the TDS Terms of Service that is available online at <http://www.tdstelecom.com/about/privacy.asp?op=tos>. Regulated services within packages and bundles will continue to be offered on a stand alone basis and can be viewed at http://www.tdstelecom.com/cust_serv/tariffsearch.asp. If you do not have access to a computer, you may request a copy of the TDS Terms of Service by calling TDS Telecom toll free at 1-888-CALL-TDS. Your continued subscription to these services is your acceptance of the TDS Telecom Terms of Service. TDS Telecom reserves the right to change these terms from time to time with written notice to you. If you need more information, please call a TDS Telecom Service Representative at 1-888-CALL-TDS or visit us online at www.tdstelecom.com. The Company appreciates your continued business.
