Subject: **CONTRACT NO. 1375ICB**

Verizon Northwest Inc. submits for filing Contract No. 1375ICB, a new customer specific multistate contract that in Washington provides analog CentraNet lines for thirty-six (36) months. This new agreement consolidates multiple agreements and supersedes the contract previously submitted in Docket UT-070229.

These services are being provided under this contract due to competitive market and customer-specific demands that cannot be met with tariffed offerings. The company requests an effective date of February 8, 2009 for this contract.

Verizon submits the documentation required in Section 7 of WAC 480-80-142. Verizon considers the cost computations required under sub-section 7 (b) (iii), customer identifying information, and provisions not related the Washington to be confidential and protected under WAC 480-07-160 and under the exemption from disclosure requirements per the Public Records Act, Chapter 42.56 RCW. The cost documentation and these other items are marked "Confidential per WAC 480-07-160." The company, for commercial reasons, may be harmed if this information is not treated by the Commission as confidential.

With regards to the contract, Verizon will comply with any applicable resale obligations required by RCW 80.36.170 and 80.36.180.
