A. I'm a willing and able com-
pany to do this service
I have ten self loading tankers

B. I have a G permitt # 262
I feel we have to many
G permitts operators I need
these G permitt jobs to
survive in bussiness

C. Northwest Liquidation doe's
not have a G permitt
and it's been hauling at
Nature's path for a long time
and never once applied for a
G permitt.

D. VanderVeen Family Transport inc
is a company that has
worked with U.T.C and has
honored all rules and
regulations - not hide from
them.

Protest Interests.

I feel nature's path need's
to find a G permitt company
to haul there Sugar water
I don't feel that they should
be able to appoint one
I am a company that can do
this Transporting I have
all the Equipment to properly
do so. again my company
needs these jobs. I have worked
with U.T.C to make a
difference with solid waste
I feel North west has a good
company record and
Wayne Groen is a good man
I feel we have enough
G. permitt holders.
