RE: CUSTOMER SWORN STATEMENT OF IMMEDIATE AND URGENT NEED FOR SERVICE

Dear Sirs:

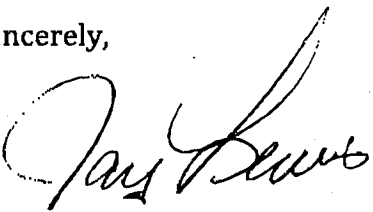

We have submitted a signed form dated October 20, 2009, which would seem to indicate that we have an urgent need for garbage collections services as outlined in Point Recycling and Refuse's application.

Point Roberts International Marketplace is definitely interested in seeing a resumption of both residential and commercial garbage collection. We currently rent Point Recycling and Refuse's garbage packer truck by the hour and also rent 9 of their 1 ½ yard containers. Once each week, an employee of Point Recycling and Refuse, who is also on Point Roberts International Marketplace's payroll for the specific purpose of collecting and delivering the garbage, drives the Point Recycling and Refuse garbage packer truck to our location at 480 Tye Drive and loads garbage from the 9 - 1 ½ yard containers into the truck. He then drives the truck back to the transfer station at Johnson Road and dumps the truck contents.

As you can see from this, Point Roberts International Marketplace currently has service and has had this service for the past 4 months.

In signing the CUSTOMER SWORN STATEMENT OF IMMEDIATE AND URGENT NEED FOR SERVICE, I was not fully aware of the extent of Point Recycling and Refuse's application for immediate, temporary and permanent authorities.

Sincerely,

Jay Lewis, Manager
Point Roberts International Marketplace
