Dear Sirs:

This filing is submitted by Excess Disposal Service G-107.

This filing proposes a rate increase in disposal fees. This increase is necessary to offset the 13% increase in disposal site fees. If approved by the Commission, these rates would increase our revenues by approximately \$21000.00.

The following pages will be revised:

Title page ---- added email address

Pages 23, 23A, 24, 30, 34, 36, 37, 38, 39, 40 ---- due to disposal fee increase

As required by Commission rules, a copy of this letter will be mailed to the County Council and to the mayors of all cities impacted by this filing. We will be sending notices to customer with their first bill after commission approval, as required in WAC 480.70.271 (2) (a) (iii). Notices will mailed January 1, 2010.
