Inspector Guidance: Ask the above listed drug and alcohol questions in conjunction with all other inspections or investigations. If the company representative cannot answer a question, please make a note and request the operator provide Stanley Kastanas with the information within 7 business days via e-mail or the telephone number noted below. This should not take more than 15-30 minutes. Do not ask the company to have a drug and alcohol expert available for this portion of your inspection.

The above does not constitute a full drug and alcohol inspection rather it help prioritize companies for PHMSA's comprehensive drug and alcohol inspection. Please refer the company to Stan Kastanas at 202-550-0629 for any in-depth drug and alcohol questions.

Upon return to your office, please email (scanned if handwritten) this form to Stanley.Kastanas@DOT.GOV.
