Re: Docket No. UW-110107 - Summit View Waterworks, LLC -  
Supporting Documentation

Dear Mr. Danner:

Attached you will find two items in support of the above-referenced filing. The first is a Promissory Note in the amount of \$115,000 payable to Candy Mountain Limited Liability Company from Summit View Waterworks, LLC in evidence of a loan for one-half of the construction cost for the project that is the subject of this docket.

Candy Mountain Limited Liability Company constitutes an affiliated interest of Summit View Waterworks, LLC. Thus, this letter also constitutes a filing of that affiliated interest pursuant to RCW 80.16.020.

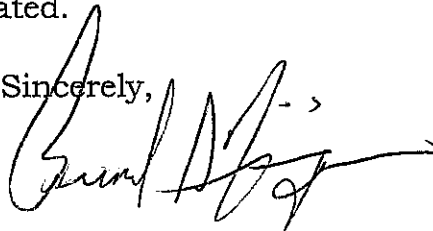

The second document that is attached is a loan commitment from Gesa Credit Union to Summit View Waterworks, LLC. This is a commitment to loan \$115,000 as the second half of the funding for the construction project that is the subject of this docket.

Please note that the loan commitment is valid for sixty days beginning January 14, 2011, and is conditioned upon approval of the surcharge filed in this docket.
