Re: Additional Runs

Dear Mr. Danner:

Enclosed are the necessary documents to our new time schedule No. 10 and existing Tariff No. 5. The purpose of this schedule is to offer customers the ability to arrive at SEATAC three hours earlier with the addition of seasonal runs. There are no rate increases, service limitations, or discontinuances associated with this notice and there are no public notification requirements (WAC 480-30-316) and (RCW 81.28.040).

Thank you,
