- 7(iii) Demonstrate, at a minimum, that the contract charges cover the company's cost of providing the service. Costs will be determined under a long-run incremental cost analysis, including as part of the incremental cost, the price charged by the offering company to other telecommunications companies for any essential function used to provide the service, or any other commission-approved cost method.
- 7 (iv) Summarize the basis of the charge(s) proposed in the contract and explain the derivation of the proposed charge(s) including all cost computations involved.

The attached confidential cost documentation demonstrates the contract charges cover the company's cost of providing the service. See Exhibit A to the contract document for the detailed list of services and rates subscribed to under the agreement.
