Request for Review of Delegated Order

Docket Number: TV – 112194   **Date** 7/6/12

Company subject to order: ASM LLC

Your Name: Jeffrey Grabeel

Representing: ASM LLC

E-mail Address: Move @AllServiceMoving.com   **Phone** 503 810 2770

Mailing Address: 5203 SE Johnson Creek Blvd. Portland OR 97222

Reason for Seeking Review:

We operate out of state (Portland, OR). This has put many blocks in our path. I've personally dedicated over 120 documented hours attempting to jump through UTC's hoops.

The requirement of this license are impossible for a company that operates outside of the state of Washington to obtain.

- It requires us to be registered with agencies that will not register us because we are out of state. Such as; the **Department of labor & Industries**, or **Employment security department**. Check out law RCW50.04.110
- The UTC will not allow us to operate under our legal business name: ASM LLC dba All Service Moving LLC because it says LLC twice.
  This wouldn't be an issue if the Secretary of state would allow us to use our current legal business name "ASM LLC", but they say it's already taken.
  It also wouldn't be a big deal if they allowed us to our legal registered DBA, "All Service Moving", but they say it has to have LLC on the end and ASM LLC.

After days of phone calls, emails and letters, the Employment Security Department helped me out by registering me when they weren't suppose to. Essentially this is meaningless because it could be revoked any time, especially if someone catches on that we are not in Washington and our employees come from Oregon.
In addition, the Department of Labor & Industries still flat out refuses to register us even with all the pleading, begging and information I gave them.
I'm also not sure how I can register our company name to meet UTC requirement for me to do business in Washington.

In the end, I'd like a review because I've done every step I can to obtain a license and I don't know what else you want from me.
