RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-120868

Dear Sir or Madam:

As you are aware, on July 13, 2012, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Pelican Point Water Company in the amount of \$2,100 for violation of WAC 480-110-505, which requires water companies to file an annual report with the Commission by May 1 each year. Pelican Point Water Company failed to file its annual report for 2011. The Commission sent Pelican Point Water Company a Second Notice on August 15, 2012, and a Final Notice on September 19, 2012.

The Commission has not received the \$2,100 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$2,100 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
