RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-120875

Dear Sir or Madam:

As you are aware, on July 13, 2012, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Westbourne Acres Water in the amount of \$425 for violation of WAC 480-110-505, which requires water companies to file an annual report with the Commission by May 1 each year. Westbourne Acres Water filed its annual report for 2011 on May 24, 2012, which is 17 business days past the deadline. The penalty was mitigated from \$100 per day to \$25 per day for a total of \$425. The Commission sent Westbourne Acres Water a Second Notice on August 15, 2012, and a Final Notice on September 19, 2012.

The Commission has not received the \$425 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$425 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
