**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-120934**

Dear Mr. Nelson:

As you are aware, on July 24, 2012, the Washington Utilities and Transportation Commission issued a Penalty Assessment against you in the amount of \$375 for violation of WAC 480-15-480, which requires household goods carriers to file an annual report with the Commission by May 1 each year. You filed your annual report for 2011 on May 22, 2012, which is 15 business days past the deadline of May 1, and have incurred a penalty of \$375. The Commission sent you a Second Notice on August 29, 2012, and a Final Notice on October 3, 2012.

The Commission has not received the \$375 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$375 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

*for* SALLY BROWN
