Hello there,

I'm currently processing your auto transportation application to serve from downtown Spokane to downtown Seattle.

In reviewing your application, I noted that your USDOT number is not in the same name as your application. The name must match on everything so you will need to change your USDOT to "Luxury Express LTD". It looks like once that is fixed, I would be able to put your application on the public docket.

Once the application comes off the public docket, I will also need to get your insurance filing in the same name.

Let me know when this has been taken care of.

Sincerely,
