RE: Revised Tariff Pages for Murrey's Disposal Co., Inc., Certificate Number G-9.

Dear Mr. Danner:

Attached are the revised tariff pages reflecting the change of expiration date in support of the previously filed extension request for the above named entity. Pierce County requested that all regulated companies under Pierce County's jurisdiction synch-up the reporting period for the commodity price adjustment. The change is to extend the current commodity adjustment test period from August 31, 2012 to November 30, 2012. This change requires extending the current expiration date from October 31, 2012 to February 28, 2013 with an effective date of March 1, 2013.
