Dear Mr. Danner:

On October 1, 2012, Qwest Corporation d/b/a CenturyLink QC filed Advice No. 3694T to decrease the WTAP State credit (USOC ASGSX) from \$2.50 to \$2.00.

The original filing was issued on Less than Statutory Notice for an October 12, 2012, effective date. With this replacement we are respectfully ask that the LSN be amended or withdrawn to allow the tariff revisions to become effective on November 1, 2012.

Included on the Replacement page we have added a footnote explaining how the local exchange telephone rate is calculated under the Telephone Assistance Program as well as a correction to the coding of the rate reduction on the ASGSX to reflect a reduction (R) rather than an increase (I).

If you have questions concerning this filing please contact me.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds".

Mark Reynolds
