Re: H & R Waterworks, Inc. - Second Revised Sheet No. 18.2 Canceling
First Revised Sheet No. 18.2

Dear Mr. Danner:

Attached is the above referenced tariff sheet. The purpose of filing is to implement a surcharge pursuant to WAC 480-110-455(2)(iii). This is a new charge being assessed for the annual Group B licenses by Thurston County.

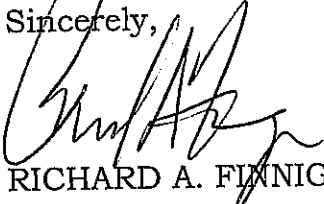

The Group B license fee is a governmental fee that has been imposed on the company since the company's last rate case.

This is a new charge. The rate is calculated to be eighteen cents per connection or customer per month for the first year and thirteen cents per connection or customer per month thereafter.

A copy of the customer notice is attached. Finally, a copy of the worksheet calculating the level of the surcharge is attached as well.
