Re: Shuttle Express Inc. C-975

Shuttle Express wishes to submit for fare adjustments and some schedule changes. For share ride we adjusted our fares to just \$5.00 for any and each additional adult after the first. Kids under 18 years of age will continue to ride free throughout our system. Changes were also made to adjust to the load factors of our share-ride trips. For our Downtown airporter service, we are readjusting our second person rate to match the first. The fare for the first guest is reduced from \$19.00 to \$18.00 while all other guests will be \$18.00 each. Using the last annual period data, all of these adjustments will result in a revenue increase to the company of 2.2%.

Additionally, we have reduced some of our downtown Seattle to Pier schedule (effective May 15th) from 3 trips to two trips.
