RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-130842

Dear Sir or Madam:

As you are aware, on August 2, 2013, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Pend Oreille Valley Network, Inc. in the amount of \$750 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report with the Commission by May 1 each year. Pend Oreille Valley Network, Inc. filed its 2012 annual report on May 22, 2013, 15 days past due, and has incurred a penalty of \$750. The Commission sent Pend Oreille Valley Network, Inc. a Second Notice on September 11, 2013, and a Final Notice on October 16, 2013.

The Commission has not received the \$750 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$750 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

ROBERT D. CEDARBAUM
Assistant Attorney General
