RE: Notice of Intent to Send to Collections, Penalty Assessment No. UW-130883

Dear Sir or Madam:

As you are aware, on July 30, 2013, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Apex Water Supply, Inc. in the amount of \$1,800 for violation of WAC 480-110-505, which requires water companies to file an annual report with the Commission by May 1 each year. Apex Water Supply, Inc. failed to file its 2012 annual report, and has incurred a penalty of \$1,800. The Commission sent Apex Water Supply, Inc. a Second Notice on September 4, 2013, and a Final Notice on October 9, 2013.

The Commission has not received the \$1,800 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$1,800 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

ROBERT D. CEDARBAUM
Senior Assistant Attorney General
