RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-131008

Dear Sir or Madam:

As you are aware, on August 8, 2013, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Urban Logistics, Inc. in the amount of \$425 for violation of WAC 480-15-480, which requires household goods carriers to file an annual report with the Commission by May 1 each year. Urban Logistics, Inc. filed its annual report for 2013 on May 24, 2013, 17 business days past the due date, and has incurred a penalty of \$425. The Commission sent Urban Logistics, Inc. a Second Notice on October 2, 2013, and a Final Notice on November 6, 2013.

The Commission has not received the \$425 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$425 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

ROBERT D. CEDARBAUM
Assistant Attorney General
