Re: Mashell Telecom, Inc. d/b/a Rainier Connect - Fifth Revised Sheet No.
105 Canceling Fourth Revised Sheet No. 105 - **LSN REQUESTED**

Dear Mr. King:

Attached you will find the above-referenced Tariff Sheet and the proposed tariff map that would become part of the above-referenced Tariff Sheet.

During the process of the Commission developing electronic maps for submission to the Federal Communications Commission pursuant to the FCC's establishment of procedures for such filings (See, Wireline Competition Bureau Announced Procedures and Deadlines for Submission of Study Area Boundaries, WC Docket Nos. 10-90, 05-337, Public Notice, DA 13-456 (Wireline Comp. Bur. rel. Mar. 18, 2013)), it was discovered that Mashell Telecom, Inc. d/b/a Rainier Connect (Rainier Connect) was serving customers physically located in CenturyLink's Ashford Exchange. The maps that are submitted with this filing make corrections to Rainier Connect's exchange boundaries as identified by Rainier Connect working with Commission Staff.

Because the FCC has stated that expedited changes to study area boundaries will only be accepted if filed by August 1, 2013, Rainier Connect is requesting LSN treatment for this filing. A copy of the LSN request is enclosed.

This tariff filing is contingent upon the granting of Joint Petition for Adjustment of Exchange Boundaries submitted jointly by Mashell Telecom, Inc. d/b/a Rainier

Connect and CenturyTel of Washington, d/b/a CenturyLink. The Joint Petition seeks to adjust the boundary line of Rainier Connect's Eatonville Exchange and CenturyLink's Ashford Exchange. Those changes are reflected in the tariff that is filed under this advice letter.

The undersigned has authority to issue and file tariff sheets on behalf of Rainier Connect.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
