RE: Rabanco Ltd./SeaTac Disposal Tariff filing

Dear Mr. Danner,

Enclosed please find proposed Tariff No. 27 for Fiorito Enterprises, Inc & Rabanco Company, Certificate G-60, (dba Kent-Meridian Disposal, Republic Services of Kent), the purpose of which is a general rate increase request. It has been eighteen months since our last general increase on these rates and in that time we have experienced inflationary pressures on key operating costs and made investments in strategic operating assets. The proposed rates will offset increases in labor, fuel, maintenance, healthcare, yardwaste processing fees, pension and other general operating expenses. If approved by the Commission, the overall revenue requirement increase reflected in this filing would approximate 4.5% or \$481,909.

The proposed rates impact services provided as follows:

	% Revenue Change	\$ Revenue Change	Estimated Rate Impacts
Garbage:	+3.1%	\$ 228,010	-0.5% to 8.6%
Recycling:	+4.1%	\$ 86,199	3.6% to 4.1%
Yardwaste:	+18.0%	\$ 168,259	15.5% to 18.0%
Multi-Family Recycling:	-2.2%	(\$ 559)	-57.2% to 55.0%

As required by Commission rules, a copy of this transmittal letter will be mailed to the King County Chair impacted by this filing. Customer notification letters will be on or before mailed August 1st, 2013. We will file a copy of the customer notices with your office prior to or at the same time as the mailing.

If you have any questions please call me at (253) 239-8858.
