**SCHEDULE 51**  
**LED (Light Emitting Diode) LIGHTING SERVICE**  
**COMPANY OWNED**

**AVAILABILITY OF CUSTOM LED LIGHTING SERVICE:**

(C)

1. This schedule is available to all Customers contracting for Company owned and maintained LED lighting service for illumination of streets, highways, and other areas with a new or existing lighting system.
2. Service under this schedule may be pursuant to a service agreement, which shall be consistent with this schedule and shall be of a standard form provided by and satisfactory to the Company.
3. All non-standard equipment is subject to approval by the Company prior to installation.
4. Service under this schedule is effective for a minimum period of fifteen (15) years for lights installed by the Company on or after August 1, 2000, unless
  - (a) a subsequent customer requests service or;
  - (b) the facilities are removed, whereupon appropriate removal charges shall be paid.
 After expiration of such term, service shall continue on a year-to-year basis until terminated upon one (1) year's notice in writing. Such term may be adjusted by the Company for existing systems purchased by the Company, based on the estimated remaining life and purchase price.
5. Where necessary, the Customer shall obtain for, or grant to, the Company necessary permits and/or operating rights to place and/or maintain lighting facilities on public streets, highways, and public areas without expense to the Company. In conditions where it is necessary to place any lighting facilities on private property, the customer shall obtain and furnish suitable easements without expense to the Company.
6. Service under this schedule is available only for (i) lighting systems that are newly constructed and Company owned that utilize underground circuitry or, upon approval of the Company, utilize overhead circuitry and (ii) existing LED lighting systems upon purchase by the Company. The Company shall not be obligated to install overhead circuitry or purchase an existing system. Lighting systems shall include all of the following: decorative or custom poles, circuitry, decorative or custom LED luminaires, photocells and necessary bracket arms. The Company will furnish all necessary labor, material and supplies for the installation, servicing and maintenance of lights under this schedule, except as provided in paragraph 8 of the Special Terms and Conditions herein.

**TYPE OF SERVICE:**

Service under this schedule applies to dusk-to-dawn lighting of streets, alleys, and other areas which can be served from the Company's distribution system.
