Dear Sir or Madam,

Fisher Investments is requesting a specific range of 1,000 DIDs at our Camas, WA office (5525 NW Fisher Creek Drive, Camas, WA 98607). We would prefer to use XXX-XX8-5XXX for our DID phone numbers, specifically, XXX-XX8-5000 to 5999. This range would match our existing internal extensions, and would provide us with greater efficiency in putting these DIDs into place within our environment and future dialing plan flexibility.

We greatly appreciate your consideration in obtaining these numbering resources and furthering our relationship with Frontier Communications.

Sincerely,

Russ Kuroda
