RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-140866

Dear Sir or Madam:

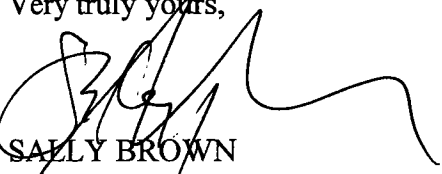

As you are aware, on May 30, 2014, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Angel Americas LLC in the amount of \$400 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report with the Commission and pay regulatory fees by May 1 each year. Angel Americas LLC filed its 2013 annual report and paid its 2014 regulatory fee on May 7, 4 business days past the deadline of May 1, and has incurred a penalty of \$400. The Commission sent Angel Americas LLC a Second Notice on June 25, 2014, and a Final Notice on July 26, 2014.

The Commission has not received the \$400 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$400 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
