Dear Sir or Madam,

Attached please find an Application for Mitigation, requesting a Commission decision based solely on the information I provide below.

- TeleDias filed two Annual Reports online. The first report was filed on 4/25/14. However, TeleDias was contacted and informed that the online report appeared blank.
- TeleDias then re-filed the Annual Report on 4/28/14; however, in the second filing, Part C. #2, regarding access to E-911 lines was not completed. TeleDias offers only resold long distance. Therefore, the answer to question Part C. #2 is "Not Applicable."
- Another completed copy of the 2013 Annual Report is attached.

Thank you for your consideration of this matter. If you have any questions or need further information, please do not hesitate to contact our office.
