IMPORTANT NOTICE

Cristalina Water Company has asked the Washington Utilities and Transportation Commission for authorization to transfer ownership and operation of the assets of the Company to Washington Water Service Company. The transfer is contingent upon approval by the Washington Utilities and Transportation Commission.

Washington Water or its predecessors has been in business in the state of Washington operating water systems for forty-four years. Washington Water owns and operates 200 water systems throughout Western Washington serving 17,000 customers and has substantial experience in the operation of water systems.

If you have questions about this request and how it will affect you, please call Cristalina's office number, 360-296-7318. You can comment on this transaction by using the "Submit a Comment" feature at the commission's web site, at utc.wa.gov, or by using the contact information below. The commission will decide whether to approve the transaction at an open meeting in Olympia, which is scheduled for 9:30 a.m. on July 24, 2014. You will have an opportunity to comment in person at this meeting.

The commission is committed to providing reasonable accommodation to participants with disabilities. If you need reasonable accommodation, please contact the commission at (360) 664-1132 or humanresources@utc.wa.gov.

If you are unable to attend the open meeting, the commission has a bridge line which enables you to participate by telephone. Call 360-664-1234 the day before the open meeting for instructions and to sign in.
