Re: Election of flexible fares

Dear Mr. King;

This is a filing in accordance with WAC 480-30-420 Flexible Fares and 480-30-311 for 30 day notice requirement. It establishes base fares, defines and elects flexible fares and maximum fares.

The base fares are equivalent to our currently effective rates, and since we are not yet open for business this change will not cause any increase in revenue directly.

Passenger Transportation Notice to Customers of this application for flexible fares is attached and has been posted as of today, July 10, 2014, on both of the company buses and in the office per WAC 480-30-321.

Please let us know if we need to do anything further to implement this change.

Thank you,  
Joel Kronenberg,
