Washington Utilities and Transportation Commission

Re: Hat Island Telephone Company - Second Revision of Sheet No. 21 Canceling  
First Revision of Sheet No. 21.

Dear Mr. King:

Attached you will find the above-referenced tariff sheet. The purpose of this filing is to increase the unrestricted toll access residential rate to \$16.00 effective November 1, 2014. The current \$15.00 monthly recurring rate for unrestricted toll access residential local exchange service is increasing by \$1.00. The increase from \$15.00 to \$16.00 per month is an increase of approximately 6 percent.

The overall annual revenue effect is an increase of \$840.

This filing conforms the Company's tariff to the "urban rate floor" provisions of FCC Order No. 11-161. In the course of that Order, the Federal Communications Commission adopted new rules concerning the universal service program. The effect of those rules is to potentially penalize any company whose residential local service rate is less than \$16.00 on December 1, 2014.

In Docket UT-143042, the Company filed financial information concerning its operations. In discussion with Commission Staff, this filing is based upon the information that the Company has filed in Docket UT-143042. As a result of using the financial information filed by the Company in Docket UT-143042, the Company believes this complies with the filing requirements of WAC 480-120-339.
