RE: Notice of Intent to Send to Collections, Penalty Assessment No. UT-150828

Dear Sir or Madam:

As you are aware, on June 4, 2015, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Legacy Long Distance International, Inc. in the amount of \$1,000 for violation of WAC 480-120-382, which requires competitively classified telecommunications companies to file an annual report and pay regulatory fees with the Commission by May 1 each year. As of May 15, 2015, Legacy Long Distance International, Inc. has not filed its 2014 annual report or paid its 2015 regulatory fee, and has incurred a penalty of \$1,000. The Commission sent you a Final Notice dated July 23, 2015, indicating that the balance of \$1,000 was due.

The Commission has not received the \$1,000 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$1,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
