RE: Tipping Fee Increase

Torre Refuse and Recycling:

To provide solid waste collection companies with sufficient time to prepare and submit tariffs and rate filings for public comment and commission approval Ferry County is providing the seventy-five days' notice (RCW 70.95.212) of a change in tipping fees at the transfer station.

The Board of Ferry County Commissioners approved and voted to raise the tipping fee at the Torboy Transfer Station. The tipping fees will increase from \$134.00 to \$141.00 per ton and the minimum charge will increase to \$12.00/140 pounds at the transfer stations effective January 1, 2016.

If you have any questions or concerns regarding this increase, please feel free to contact me at (509) 775-5225 ext. 2507.

Sincerely,

Kristy Cromwell, Manager
Ferry County Public Works
Solid Waste Division
