Dear Sirs:

Enclosed herein, please find revised pages, 2 and 33 to the above-referenced tariff. These proposed revised tariff pages reflect an increase in the Item 230 – Disposal Fees charged at the Spokane Waste to Energy Plant. The City of Spokane approved the increase in disposal fees from \$102.39 to \$105.36 to be effective on January 1, 2016.

Enclosed for your review is a letter from the City of Spokane informing us of the increase in the rate. Upon approval by the Commission of this filing, affected customers will be notified of this rate increase on their next regularly scheduled billing.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
