RE: Notice of Intent to Send to Collections, Penalty Assessment No. DG-160162

Dear Sir or Madam:

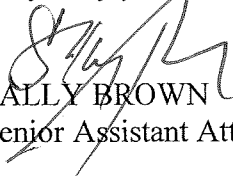

As you are aware, on March 30, 2016, the Washington Utilities and Transportation Commission issued a Penalty Assessment to Dreamline Construction, LLC for violating RCW 19.122.030(1)(a) (Failure to Request Dig Ticket Prior to Excavation) in the amount of \$2,000. The Commission's Notice required Dreamline Construction to respond to the Notice, or remit full payment within 15 days after receipt thereof. As of June 8, 2016, the Commission has not received a response, and the \$2,000 payment remains outstanding. The Commission sent Dreamline Construction a Final Notice dated June 8, 2016, indicating that the balance of \$2,000 was due.

The Commission has not received the \$2,000 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$2,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
