**City of Tumwater Annexation and Utility Tax Rate Request**

Dear Customer:

On October 6, 2015, the City of Tumwater approved an annexation identified as the Eastside UGA annexation. This annexation became effective January 1, 2016. As a result of this annexation your water utility charges are now subject to the City of Tumwater 6% Utility Tax. On February 03, 2016, Washington Water Service Company filed with the Washington Utilities and Transportation Commission a request to pass on the additional tax expense to its customers.

If granted, the utility tax will be calculated based on water sales and will be included on your March 23, 2016 bill for the billing period of February 23, 2016 through March 23, 2016.

If you wish to comment on the filing or have any questions regarding the rate making process please contact:
