Dear Mr. Ranta:

This correspondence is in response to your letter dated March 17, 2016 to adjust compensation for waste delivered to CRC transfer stations beginning June 1, 2016. The County accepts your letter as notification for the \$0.52 per ton tipping fee increase based on Section 12.3.3 (A) of the Solid Waste Contract between the County and CRC.

Please provide 45 day notice to the WA Utilities and Transportation Commission and appropriate notice to customers including signage at the transfer station and new rate cards.

Sincerely,

Don Benton
