SUBJECT: TL-160670, US Ecology Washington, Inc.

Discussion:

US Ecology Washington, Inc. (US Ecology or company) is a low-level radioactive waste site operating company as defined in RCW 81.04.010 (4). As required by WAC 480-92-055 (3), the company is to file with the Utilities and Transportation Commission (UTC or commission) a report on its affiliated interest and subsidiary transactions. On May 24, 2016, the company filed with the commission its affiliated interest and subsidiary transactions report.

Scope of Staff Investigation:

Staff will examine the filing in UTC Docket TL-160670 and answer the following questions:

1. Does the information provided by the company meet the requirements of WAC 480-92-055 (3)?
2. As a result of examining the transactions contained in this filing, what areas and elements of affiliate contracts and arrangements will need to be examined in a future rate case to validate that they are reasonable and consistent with the public interest?

Requirements set forth in WAC 480-92-055 (3) (a) and (b):

WAC 480-92-055 requires regulated low-level radioactive waste site operating companies to provide the commission with the following information relating to transactions between them and their affiliate(s):
