

Cover Sheet for additional Confidential information requested to support  
filing Petition for Registration and Competitive Classification \

**Docket Number UT-170083**

Per request of Tim Zawislak, and instructions on  
<http://apps.leg.wa.gov/wac/default.aspx?cite=480-07-160>

I have assembled and marked the accompanying documents in unredacted and redacted versions that are clearly marked with the code under which we are requesting confidentiality. Documents are attached both in native file format and pdf file format.

The request for confidential treatment is based on confidential marketing, cost, and financial information, also customer-specific identity, usage and network configuration revealed by the locations.

If the submission does not follow the required format, please deny acceptance per your policies and I will correct any deficiencies with Records Center instructions and resubmit.

Thanks,

Stephen Hayes
