RE: Docket Number: UG-170880 Partial Supplemental Filing  
Revisions to Schedule T "Customer-Owned Natural Gas Transportation Service"

Northwest Natural Gas Company, dba NW Natural ("NW Natural" or the "Company"), files herewith the following revisions to its Tariff WN U-6, stated to become effective with service on and after **September 13, 2017** on less than statutory notice:

Sixth Revision of Sheet T.1  
Schedule T,  
"Customer-Owned Natural Gas Transportation Service."

The purpose of this supplemental filing is to correct a typographical error contained in Pre-requisite number 2, to read "Advanced Automated Meter Reading" instead of "Advanced Automated Meter Metering."

All other revisions proposed to Sheet T.1 and to Sheet T.4 as proposed in NWN Advice No. WUTC 17-04 dated August 7, 2017 do not change and are requested to become effective as filed.

The Company respectfully requests that the tariff sheets filed herein be approved to become effective with service on and after September 13, 2017.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

A copy of the filing is available for public inspection in the Company's main office in Portland, Oregon and on its website at [www.nwnatural.com](http://www.nwnatural.com).
