Dear Mr. King:

Enclosed are proposed revisions to Tariff No. 3 of Torre Refuse & Recycling d/b/a Sunshine Disposal & Recycling (G-260) in Spokane County. The purpose of this filing is to update disposal rates in item 230.

If approved, these proposed changes will reduce revenue approximately \$9,300 annually or about 0.2% on tariff revenue. The entire amount of the increase is related to the change at the Waste Management Graham Road Landfill. The other disposal sites are backup disposal sites that are rarely used in this tariff.

If I can be of any further assistance, please contact me at 509-924-5678 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,

John Lloyd
