Re: Excess Disposal, Inc. d/b/a Excess Disposal Services - G 000107
Disposal Cost Recovery Filing

On behalf of Excess Disposal, Inc. d/b/a Excess Disposal Services - G 000107 I am filing certain revised tariff pages and other documents requesting a rate increase effective April 1, 2018. This filing is necessitated by a disposal increase at the Deer Valley Transfer Station operated by Pend Oreille County.

The company is filing these revised tariff pages under the provision of Less Than Statutory Notice. The company was originally informed by the Board of County Commissioner of Pend Oreille County, WA. that the rate increase was being delayed. I was instructed to withdraw the filing on February 15, 2018.

Excess Disposal, Inc received the attached email from San Castro, Public Works Director, Pend Oreille County informing them the rate increase would be effective April 1, 2018.

If this filing is approved by the Commission, the hauler's overall revenue will increase approximately 1.6%, or \$8,849. The revenue breakdown is:

	Gross Revenue Increase	Overall Increase
Residential	\$ 2,644	
Commercial	<u>6,205</u>	
Total	<u>\$ 8,849</u>	1.6%

This filing is for recovery of disposal fees pursuant to RCW 81.77.160. A copy of the letter of notification from Pend Oreille County Public Works is included with the documents being filed.

Mr. Steven King

Included with this filing is an Excel workbook titled Excess Disposal Rate Calculatons 2-18 .xlsx which is a disposal workbook previously furnished by staff. This workbook has rate calculations, customer counts, price-outs both current and proposed. The customer counts are from a prior case TG-140070 , which have residential and commercial tonnage summaries.

Revised tariff pages are included with this filing in an Excel workbook titled Tariff 15 Revised Pages 2-18.xlsx. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective April 1, 2018. Affected customer will receive notice of the change on the first billing reflecting the revision to rates under WAC 480-70-271(2)(a)(iii).

The Company is requesting exemption from portions of WAC 480-07-520(4) - General rate proceedings-Solid Waste Collection Companies for this filing for recovery of disposal fees.

A copy of this letter has been sent to Steve Kiss, Chairman of the Pend Oreille County Board of Commissioners.

Yours truly,

Weldon Burton

Weldon T. Burton
