RE: Rabanco Ltd. / Eastside Disposal / Republic Services Tariff Revision

Dear Mr. Constantine,

Enclosed please find a copy of the transmittal letter notifying the Washington Utilities & Transportation Commission (WUTC) of a proposed renewal to the recycling processing rate surcharge to WUTC Tariff No. 11 for Rabanco Ltd, Certificate G-12, (dba Eastside Disposal / Republic Services of Bellevue). This surcharge will be in effect for 180 days. And, depending on the changes in the volatile recycling market, could be renewed either higher or lower than the initial increase. The service area of this company covers King County.

Sincerely,
