Subject: Mason County 2019 Solid Waste Rates

Per Resolution 61-13, Mason County adjusts all Solid Waste Utility fees by the October to October Consumer Price Index (CPI U) for the Olympia Metropolitan Area. Per the United States Department of Labor website, the October 2017 – October 2018 CPI U for Olympia was 3.5%.

Accordingly, the solid waste fees for Mason County will increase 3.5% effective January 1, 2019. That will raise the tipping fee from the 2018 rate of \$96.16/ton to \$99.52/ton.

Sincerely,

Bart Stepp, PE

Deputy Director / Utilities and Waste Management
