Re: TV-181052– Granting Temporary Household Goods Authority, Subject to Conditions,
Pending Decision on Permanent Authority - THG068560

Dear Sunny Side Moving LLC:

On December 28, 2018, Sunny Side Moving LLC, d/b/a Two Men and a Truck, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. The Commission provisionally grants your application. Sunny Side Moving LLC is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether Sunny Side Moving LLC qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Personnel responsible for company management and operations **must** attend one of the following free Commission-sponsored training classes to learn about consumer protection rules, safety regulations and industry-wide tariff provisions that apply to your business. You should consider registering soon since there is a limited number of registrations accepted for each class. Sign up by contacting Jason Hoxit at jason.hoxit@utc.wa.gov or 360-664-1320.
 - Wednesday, Feb. 20, 2019 at UTC Headquarters in Olympia **Attendance will be limited to 35 participants*
 - Wednesday, May 22, 2019 at EWU, *Digital Archives Building in Cheney*
**Attendance will be limited to 30 participants*

Failure to attend the training may result in denial of your permanent authority.

2. Operate for at least six months.
3. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.

4. Complete a criminal background check on each person Sunny Side Moving LLC employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance. Even if a conviction for any of these offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.
5. Pay any outstanding monetary penalty or fee owed to the Commission.
6. Resolve all consumer complaints pending with the Commission.

Enclosed with this letter are copies of Sunny Side Moving LLC's provisional permit, Tariff 15-C, and the Commission rules governing residential household goods carriers. Please review these documents carefully. The Commission may cancel your provisional authority if you violate any applicable state law, Commission rule or tariff provision.

Also enclosed are 10 copies of a self-addressed consumer survey to assist the Commission in evaluating Sunny Side Moving LLC's application. Please provide a copy of this survey to your first 10 customers and ask them to complete and mail it to the Commission at the address on the reverse side.
