Re: TV-190304– Granting Temporary Household Goods Authority, Subject to Conditions,
Pending Decision on Permanent Authority - THG068753

Dear Kingdom Mover LLC:

On April 23, 2019, Kingdom Mover LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. You have met the initial application requirements by attending the Household Goods orientation on May 22, 2019. The Commission provisionally grants your application and Kingdom Mover LLC is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether Kingdom Mover LLC qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Personnel responsible for company management and operations **must** attend the one-day Commission-sponsored training class to learn about consumer protection rules, safety regulations and industry-wide tariff provisions that apply to your business. We have signed you up class on August 7, 2019 at UTC Headquarters in Olympia.

Failure to attend the training will result in denial of your permanent authority.

2. Operate for at least six months.
3. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.
4. Complete a criminal background check on each person Kingdom Mover LLC employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the

manufacture, sale, or distribution of a controlled substance. Even if a conviction for any of these offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.

5. Pay any outstanding monetary penalty or fee owed to the Commission.
6. Resolve all consumer complaints pending with the Commission.

Enclosed with this letter are copies of Kingdom Mover LLC's provisional permit and 10 copies of a self-addressed consumer survey to assist the Commission in evaluating Kingdom Mover LLC's application. Please provide a copy of this survey to your first 10 customers and ask them to complete and mail it to the Commission at the address on the reverse side.

The Commission may cancel your provisional authority if you violate any applicable state law, Commission rule or tariff provision. If you have any questions, please contact Licensing Services at 360-664-1222 or by email at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
Licensing Services Manager
