RE: Tariff Filing, Commodity Price Adjustment for Mason County Garbage Co., Inc. G-88.

Dear Mr. Johnson:

Attached please find revised pages for Tariff Number 13, as well as supporting documentation for the commodity price adjustment (CPA).

The CPA will change from a debit of \$3.33 to a debit of \$2.34, (30%) per residential customer per month. We expect this to reduce the commodity adjustment revenue by approximately \$77,000. There are approximately 13,350 customers affected by this change.

Following Staff's review, we respectfully request this filing to go into effect on November 1, 2019. Due to the volatility in the recycling commodity markets we are hereby requesting a waiver from WAC 480-70-351(2). The calculation uses the most recent six-month historical period to estimate the recycling commodity revenue/commodity price adjustment. Further, we request the pay-back period to be six months, expiring April 30, 2020.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
Pricing Manager
