COMMISSION

Dear Executive Secretary:

This filing is submitted by Waste Control, Inc., G-101.

This filing proposes a disposal fee increase only. This tariff revision is due to an increase in disposal fees charged by Cowlitz County effective January 1, 2020 which increases disposal fees by 9.4%. If approved by the Commission, these rates would increase Company revenue by about \$79,000 and would affect approximately 11,000 customers. The increase will directly offset the increased disposal fees.

We are requesting an exemption from the work paper filing requirements of WAC 480-07-520(4). This is a disposal fee only case and as such we are allowed to petition for this exemption in order to minimize the cost and work associated with this filing.

As required by Commission rules, a copy of this transmittal letter will be mailed to the County Council and to the mayors of all cities impacted by this filing.

My authority to file on behalf of Waste Control, Inc. is on file with the Commission. If you have questions regarding this filing, please contact me or Joe Willis. Joe may be reached at Waste Control, Inc.; phone (360) 425-4302 and email jwillis@wcrecycling.com. My telephone number is (360) 425-8000 and my email address is jdavis@boothdavis.com.

Very truly yours,

GL BOOTH · JG DAVIS & ASSOCIATES, PLLC
