RE: UG-190987—Annual Energy Efficiency Plan—Correction

Northwest Natural Gas Company, dba NW Natural (“NW Natural” or the “Company”), herewith files a replacement page three to its Annual Energy Efficiency Plan (“EE Plan”) that was filed November 27, 2019, under docket UG-190987.

The table on page three of the EE Plan report contained a typographical error. The annual cost for Commercial Incentive Programs should be \$899,420 (rather than the amount listed of \$889,420). This also changes the total annual cost for the EE Plan to \$3,014,777 (from \$3,004,777).

If you have any questions, please contact me at 503-721-2459.

Sincerely,

/s/ Rebecca T. Brown
