

Memorandum

Oct. 20, 2021

To: File

From: Mike Turcott, Transportation Planning Specialist

Subject: TR-200033 – Washington State Department of Transportation
Completion of Modifications to Warning Devices
SR-17 USDOT 396958T

On Jan. 7, 2020, the Washington Utilities and Transportation Commission (UTC) approved a petition to modify warning devices at a public highway-rail grade crossing located on State Route 17 near Moses Lake, identified as USDOT 396958T.

On Oct. 19, 2021, UTC staff inspected the SR-17 grade crossing and verified that the project was completed according to the specifications outlined in the order approving the petition.
